Category	Chapter Title	Chapter Number
Introduction	CALNET Contact Information	0101.0

PURPOSE

This chapter provides centralized address and telephone numbers for contacts referred to within the State Telecommunications Management Manual (STMM) chapters for the CALNET Program.

POLICY

Questions about the STMM should be directed to the appropriate office or section within the California Department of Technology – CALNET Program. If unclear about whom to contact you may call CALNET at (916) 657-9150.

CALNET RESPONSIBILITIES

- Ensures that quality telecommunications services and commodities are available to all state agencies and local governments, in the most cost-effective, efficient and timely manner possible. This includes maximizing the use of State resources and the consolidation and joint use of telecommunications systems and services where operationally, technically and economically feasible.
- Obtains contracts and supports voice and data services for the state's CALNET telecommunications network.

CALNET continuously updates addresses and phone numbers in this chapter.
