

STATE TELECOMMUNICATIONS MANAGEMENT MANUAL

State of California
Department of Technology
CALNET Program

Category	Chapter Title	Chapter Number
Telecommunications Management	Department of Finance	0202.0

The Department Technology works closely with the Department of Finance, State Procurement, and others to develop and implement consistent, standard state telecommunication and information technology policies and strategies.

The CALNET MSA is a recent example of the statewide vision and leadership that California is taking with regard to Information Technology (IT) and its strategic deployment to meet business challenges.
