SUBJECT: Changes to the CALNET 3 Authorization To Order (ATO) Form

This bulletin is to inform Local Government and E-Rate customers that the listing of specific technology descriptors (services) in the ATO Form are being removed along with the requirement for customers to select them. Completed ATO's will allow Local Government and E-Rate customers to purchase all services in the category/sub category they select. For an example, please see attached (page 4).

Removal of the specific technology descriptors (services) will:

- Streamline and simplify application for the customer and contractor.
- Not affect any terms and conditions of the contract.
- Ensure access to all services.

If you have already submitted a CALNET 3 ATO Form, no further action is necessary. If your organization still needs to complete a CALNET 3 ATO Form, new forms may be accessed and completed through the CALNET Application and Management System (CAMS). Customers may also submit the ATO Form via PDF, which is located at <http://www.otech.ca.gov/std/resources/forms.asp>. You may contact your servicing account representative or a CALNET Customer Service Unit (CCSU) representative at (916) 657-9150 to assist you with completing the form(s).

If you have any questions regarding this notification, please call (916) 657-9150 and request to speak with a CCSU representative.

E-Rate Customers

Only complete if applying for E-Rate funding:

Insert Non-State Entity Name here intends to seek Universal Service Funding (E-Rate) for eligible services provided under this ATO.

The Service(s) ordered under this ATO shall commence on **Insert month, day, year** ("Service Date"). Upon the Service Date, this ATO supersedes and replaces any applicable serving arrangements between Contractor and Non-State Agency for the Service(s) being ordered under this ATO.

This ATO shall become effective upon execution by Non-State Entity, Contractor, and the Office of Technology Services, Statewide Telecommunications and Network Division (OTech/STND). Upon execution of this ATO by Non-State Entity and Contractor, Contractor shall deliver this ATO to OTech/STND for review and approval. The State may, at its sole discretion, revoke any applicable previously approved ATO.

The OTech/STND will provide Contract management and oversight, and upon request by the Non-State Entity or Contractor, will advocate resolving any Contract service issues. The ATO, and any resulting Form 20, is a Contract between the Non-State Entity and the Contractor. The State will not represent the Non-State Entity in resolution of litigated disputes between the parties.

Non-State Entity may terminate this ATO, for specific Service(s) or in total, prior to termination of the Contract, by providing the Contractor with thirty (30) calendar days' of written notice of cancellation. This ATO shall not exceed the term of the CALNET 3 Contract.

Non-State Entity, upon execution of this ATO, certifies that Non-State Entity understands that Contractor and the State may, from time to time and without Non-State Entity's consent, amend the terms and conditions of the Contract thereby affecting the terms of service Non-State Entity receives from Contractor.

Non-State Entity, upon execution of this ATO, certifies that it has reviewed the terms and conditions, including the rates and charges, of the Contract.

Non-State Entity, upon execution of this ATO, certifies the Non-State Entity understands that billing invoices for Service(s) subscribed to under the Contract are subject to review and/or audit by the State, pursuant to provisions of the Contract.

All Service(s) ordered under this ATO will be submitted using the Form 20, signed by the Non-State Entity's authorized signatory. Any additions or deletions to Service(s) shall likewise be accomplished by submission of a Form 20, noting changes. The Non-State Entity understands that Form 20s are subject to review by the CALNET 3 CMO to ensure contract compliance.

Non-State Entity, upon execution of this ATO, certifies the Non-State Entity understands that the Contractor shall provide CALNET 3 CMO all data, reports, and access to trouble tickets for Service(s) subscribed to under the Contract, pursuant to provisions of the Contract.
