SUBJECT: CALNET 2 EXPIRATION FOR NON-STATE CUSTOMERS WITH AT&T SERVICES

Non-State AT&T CALNET 2 customers who have not completed a CALNET 3 Authorization To Order (ATO) will be removed from the CALNET 2 contract effective, January 29, 2016. AT&T will be moving customers' existing services to the prices, terms, and conditions contained in AT&T's existing tariffs/service guides on file with the California Public Utilities Commission and/or the Federal Communications Commission, which are higher than CALNET rates.

The Office of Technology Services (OTech) recommends you take action as soon as possible to ensure that your Service choices are fully completed on or before January 29, 2016, to take advantage of the rates available on the CALNET 3 Contract.

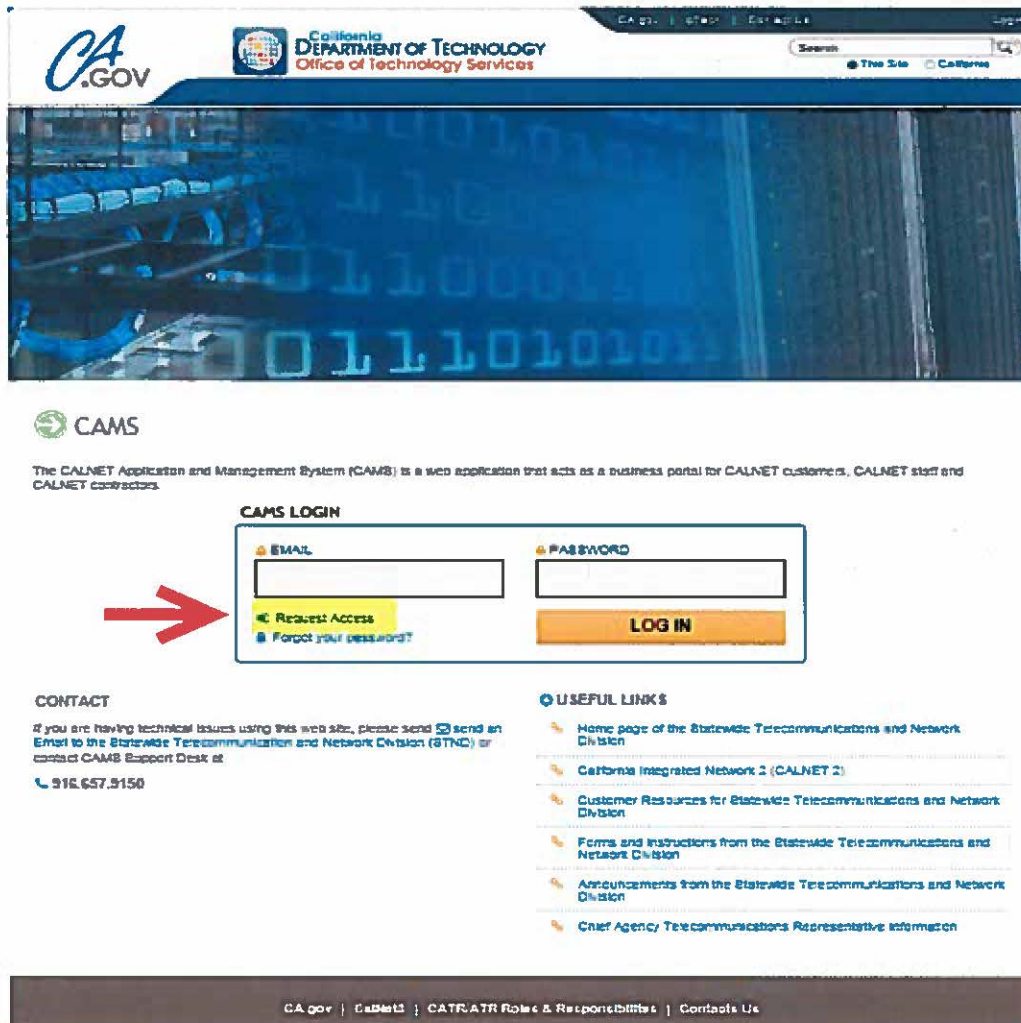

The following rate comparison table highlights some key changes in pricing for the most common Services.

Table with 5 columns: Service, CALNET 2 Monthly Recurring Charge (MRC), CALNET 3 Monthly Recurring Charge (MRC), CALNET 3 Individual Price Reduction MRC (avail. thru 6/30/16), and AT&T Tariff/Service Guide Monthly Recurring Charge (MRC). Rows include Basic Measured Business Line, Centrex Line, DS1 Dedicated HiCap Service, Intra-LATA Calling, and Long Distance.
