RE: CALNET 3 IFB STPD 12-001-B REFRESH BAFO Executive Summary

Dear Amy,

Electric Lightwave is pleased to submit our Categories 3 and 5 Best and Final Offer (BAFO) documents.

This Best and Final Offer (BAFO) is in response to IFB STPD 12-001-B Refresh Categories 3 and 5 and the changes identified in this Executive Summary and Change Log represent all changes made to Electric Lightwave's Final Bid previously submitted to the State. Any substantive change not included in this list is non-operative, non-binding and will not be considered a part of the Electric Lightwave BAFO.

Please note that all of the other components from the Electric Lightwave original bid submittal are still valid, including unmodified portions of the sections we changed to reflect negotiated terms.

For both Categories 3 and 5, Electric Lightwave is providing revised BAFO Cost Worksheets and matching Catalog A documents that are to be considered our BAFO.

We have submitted our Executive Summary Change Log identifying a list of all changes that have been made with this BAFO, and our Exhibit 7a STD 213a Standard Agreement Amendment for Telecommunications, as separate files electronically. A single copy of the change log and 4 copies of the signed STD 213a have been included in the printed package following this letter.

Your dedicated Electric Lightwave account team welcomes the opportunity to continue to participate in this IFB Refresh. We look forward to meeting with you again in the very near future.

Thank you,

Stuart Taubman, Senior Director, Business Management
