

**Summary of Changes to the State Administrative Manual (SAM)  
September 2013**

<b>SAM Section</b>	<b>Action Type</b>	<b>Changes</b>
SAM Section 5300	Change	Per TL 12-10, the security and privacy policy for state government was completely restructured. The updated policy clarifies the security and privacy standards state entities are required to use in their Information Technology planning and operations; provides a minimum set of security control requirements to support individual department confidentiality, integrity and availability objectives; and provides a method for measuring the state's overall security posture going forward.
