## BACKGROUND

Information Technology Policy Letter (ITPL) 10-18 established the IT Cost Report process and required departments and Agencies\(^1\) to submit an annual IT Cost Report to the Technology Agency by February 1 of each year, as specified in the State Administrative Manual (SAM) Section 4903.2, and the Statewide Information Management Manual (SIMM) Section 05A.

## PURPOSE AND DESCRIPTION

The purpose of this Technology Letter (TL) is to postpone the required submission of the 2012 IT Cost Report to the Technology Agency until a later date in 2012, to be announced.

Effective with the release of this TL, the required submission of the February 2012 IT Cost Report is temporarily postponed. The Technology Agency will collaborate with agencies to design and develop a streamlined IT Cost Report format and report preparation process. After development of the revised IT Cost Report, the Technology Agency will announce the revised submission date. References to the IT Cost Report submission requirements will be updated in the SAM and SIMM at the first opportunity. The revised SAM Section 4903.2 is included as Attachment A; the revised SIMM Sections 05A and 55 are included as Attachment B.

## PROCESS

Agencies and departments are not required to prepare the IT Cost Report that was scheduled for submission to the Technology Agency by February 1, 2012. Departments will receive further information about the preparation requirements and submission date for the revised 2012 IT Cost Report.
