- Initial Accessibility Assessment
- Remediation and Verification

California
DEPARTMENT OF TECHNOLOGY

CDT Web A11y Use Case

Artem Khomishen

California Department of Technology

webstandards.ca.gov

No “one size fits all” with respect to accessibility

- Different content types have different testing tools
- Large scale areas require sampling strategies
- different than smaller areas
- Personnel available with each business area
- differs in background, and availability
- Each business area has its own level of capabilities
