## TA 20-01: VHSS Contract for Salesforce SaaS Expiring

**ISSUE DATE:** February 20, 2020

**ATTENTION:** Existing VHSS Salesforce Customers

**ACTION REQUESTED:** Transition from CDT's Salesforce contract to alternative Salesforce contract

**EFFECTIVE DATE:** February 20, 2020

### Overview:

In support of the IT Procurement Modernization effort, the California Department of Technology (CDT) will not renew the Salesforce Software as a Service (SaaS) contract 18-12109, which expires on October 29, 2020. Alternative Salesforce contracts are available through the Department of General Services (DGS).

### Action Requested:

CDT will continue to process customer requests for Salesforce SaaS through October 29, 2020, or until all remaining contract funds are exhausted, whichever comes first. Requests must be submitted to CDT no later than September 1, 2020.

Salesforce SaaS work authorizations executed under CDT's contract before October 29, 2020, will be valid for one (1) year. After October 29, customers who require Salesforce SaaS must utilize an alternative procurement method, such as DGS' [Software Licensing Program \(SLP\)](#). Currently, Salesforce has four (4) SLP contracts:

Contractor Name	Contract Number
ADVANCED TECHNICAL SOLUTIONS, INC.	SLP-19-70-0139J
ALLIED NETWORK SOLUTIONS	SLP-19-70-0027M
QUALAPPS	SLP-19-70-0188D
TABORDA SOLUTIONS INC	SLP-19-70-0063B
